Reservation Confirmation

I understand that our Group’s reservation is confirmed only when the Camp receives our deposit along with this signed agreement/acknowledgment of Waiver of Liability.

Deposit

When making your reservation an advance, refundable cancellation/damage deposit of \$50 is required. A cancellation within 30 days of a reserved date will result in a \$25 fee, while a cancellation two weeks or less before a reserved date will result in a \$50 fee. Good camper etiquette assumes that responsible visitors will leave the environment in as good or better condition than when they arrived. Your cancellation/damage deposit check will not be cashed unless damage has occurred or there are additional items chargeable to your camp stay. Please check in and out with the Camp Host when arriving and prior to leaving. WesMin will return your deposit check, upon clearance by the Camp Host, immediately following your stay. There will be a service fee of \$30 for dishonored checks.
